About Conference

Scitech series cordially invites you to join us at the “**2nd World Congress on Physical Medicine and Rehabilitation**” (WCPR 2025)” scheduled as a Hybrid Event during **June 12-13, 2025 in London, UK**. This Hybrid event allows you to participate as In-person in London, UK or Virtually from your home or workplace. The primary focus of the conference will be on the theme “**Integrative Strategies in Physical Medicine and Rehabilitation Technology**.” WCPR 2025 is an annual event that brings together global public health experts to facilitate the exchange of the latest insights on factors influencing the emergence, transmission, and control of infectious diseases. This international conference, occurring at a critical juncture, will primarily focus on recent notable clinical cases. It is tailored to cater to the interests of faculty members, researchers, epidemiologists, scientists, healthcare practitioners, clinicians, public health specialists, nurses, caregivers, industry representatives, and Physiotherapy professionals. Also, this conference has distinguished keynote presentations, interactive panel discussions, oral abstract presentations, poster sessions, and a diverse array of scientific and public health exhibitors, all contributing to a comprehensive program. The Congress is committed to upholding its reputation for excellence by delivering timely exploration of cutting-edge topics in the realm of emerging Physical medicine and rehabilitation. We extend a warm invitation to WCPR 2025 to address the challenges posed by Physical medicine and rehabilitation.

OUR TESTIMONIALS

“

Angela Allen, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“

Andrey Pavlychev, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“

Sadeq Damrah, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“

Vladimir Sanchez Linares, MINSAP, Cuba

My testimony: I am very grateful to ICDS for this opportunity, it was a fantastic experience, the event program was great, the presentations were excellent, everything was very well organized, the organizing committee was always willing to help, particularly They always helped me a lot during this time, thank you, thank you very much for everything. see you ICDS 2025!!!

“

Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“

Shirin Cantillon, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“

Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.

“

Weihong He, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“

Aree Saeed Mustafa, American University of Kurdistan, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.
